EDUCATION

BFA VISUAL COMMUNICATION

Emphasis | Animation

Northern Arizona University
Duration | 2020 - 2024

GPA 3.70
Honored in Dean's List

PROJECTS

Capstone Film | Angeline

Grad Film

- Developed character animations for a solo animated short film.
- Preseted elevated character design with visual storytelling through animation.
- Used Cinema 4D and Clo3D to model and animate complex characters, clothing, and environments.
- Created and combined audio effects to enhance storytelling.

Second Year Research Project | Eden

Sophomore Film

- Created storyboards, concept art, and 3D models.
- Participated in course meetings to discuss ways to improve overall story and style of film.
- Utilized After Effects for post-processing to further develop and composite all elements.
- Met deadlines and maintained high quality work.
